This is *Chicago Lawyer* magazine's third real estate and law firm spaces survey. Surveys were sent to Illinois' 100 largest firms according to Sullivan's Law Directory, a sister product of *Chicago Lawyer* within Law Bulletin Media. The firms that responded are listed above. When a firm declined to respond to a question, that space was left blank.

Do you have shadow space for future expansion or sublease?	Have you moved or renovated within the last year?	Are you currently considering a renovation or relocation?	What is the timeframe you would like to move or relocate within?	Do you have workout facilities within the building?	Do you have a women's wellness room?	Do you have collaborative workspaces?	Has your firm eliminated or reduced your law library space within the last five years?	Who is in charge of real estate plans at the firm?
